 didn't we make good
 time? Freda + Miss DeV.
 hadn't had breakfast so we
 stopped at Ujinta while
 they ate + I had a cup
 of coffee. Tulsa has
 several beautiful
 buildings but it isn't
 quite as big as I thought
 it was. I surely do
 hope Norman Jr. is
 being good and isn't
 worrying you much.
 you ought to have had
 a little week end trip
 like this instead of
 me. but I'm not kicking
 about getting it.
 love, Father.
